ADVANCED BEGINNER AGILITY REGISTRATION FORM:

Open to dogs that have completed a Beginner Agility course or equivalent and over the age of 6 months. This is a 7-week progressive course. This course is a continuation of building confidence on all obstacles while gradually building heights and difficulty. Reliable contacts and fun weave poles is another aspect of this class. Positive training methods are used, with lots of fun, toys and treats. This is a progressive course and attendance of at least 5 classes is required to graduate. Graduation from Advanced Beginner Agility allows dog and handler to move either into a drop in basis to Advanced Beginner or onto Intermediate I level which is a drop in class. The trainer of the course will determine the next level for you and your dog.

Pre-requisite: A Beginner Agility Course and a Beginner Obedience 101 Course (Advanced Beginner Obedience 201 highly recommended) are required for all dogs to enter this course. The basic foundation of obedience such as sit, down, stay, down, stay and off leash control is required and essential in the development of agility training. If you feel your dog meets these requirements without having participated in a Beginner Obedience 101 course or a Beginner Agility Course, an evaluation can be scheduled for you.

This course has a limited enrollment so it is essential that you return the form below with your payment (checks made payable to the Canine Sports Center) for \$150 tax included. Visa, Discover and MC accepted. Payment must accompany a registration to be considered valid. Faxed registrations are NOT considered valid. If the course is full, you will be notified immediately. Other wise, a confirmation will be e-mailed, or you will receive a phone call no less than 3-5 days prior the start of the course or you may call to verify enrollment.

NOTE: Fees are non-refundable after the first meeting of the course.

****Bitches that go into season are not allowed to attend class. We do not offer refunds or transfers should this occur, please plan accordingly.****

Students who successfully complete the Advanced Beginner Agility course may progress to the Intermediate I level with Instructor approval, or continue to repeat the course on a drop-in basis until the desired level of training is obtained.

🐾 VACCINATIONS: All new students or students who have not had vaccination history verified by CSC in the last 6 months, please bring your dog's vaccination history to the first night of class, including proof of rabies (please provide a copy of the rabies certificate), DHPP (lepto optional), canine cough. Passing titers are acceptable for the DHPP requirement. Nosodes are allowed for dogs over 1 year of age when accompanied by a health certificate from a licensed veterinarian dated no longer than 15-days prior course start date.

🐾 Please bring your dog to the first night of class.

🐾 For further preparation, dogs will need a non-correcting collar (buckle or quick-snap), Gentle Leader or Easy Walk Harness and a 6-foot leash. We do not allow prong collars or nylon/chain chokes in Pet Obedience Courses. Bring plenty of soft, tasty treats in tiny pieces. If you have any other questions please call.

*Course fee subject to change without notice.

Classes are held outdoors weather permitting in a secured fenced and lighted area on a packed sand/dirt surface, otherwise indoor in a heated/air-conditioned 3000 square foot room on a fully matted flexible wood floor. Please dress accordingly.
