BEGINNER AGILITY REGISTRATION FORM:

Open to dogs that have not had formal agility training and are over the age of 6 months. This is a 7-week progressive course that covers all the basic fundamentals of agility, along with the obstacles. All the equipment is introduced at lower training height and gradually raised. Positive training methods are used, with lots of fun, toys and treats. This is a *progressive* course and attendance of at least five of seven classes is required to successfully complete the course. Successful completion of the beginner course allows the dog and handler to move into the Advanced Beginner Course to continue training.

Pre-requisite: Successful completion of a Beginner Obedience Course is required for all dogs prior to entering this course. Dogs who have not attended a CSC Beginner Obedience course must provide proof of successful completion of an equivalent course with-in 6 months of the Beginner Agility start date. The basic foundations of obedience such as sit, down, stay and off-leash control are required and essential in the training and development of agility skills.

All dogs will be assessed at the first class, those found to not be ready for Agility training (either due to needing more obedience work or high stimulation) will be recommended to further Obedience work (all funds transferable) or offered a pro-rated refund less the first class.

While excitement is normal, some dogs may have minor difficulties but still be suitable for continuation in agility, while others may be referred to an obedience program prior continuation in agility.

This class is limited to an enrollment of 8 students, so it is essential that you **return the form below with your payment** (make checks payable to Canine Sports Center) for \$150 Tax included, as soon as possible. Visa, MC & Discover accepted. Payment must accompany registration in order for the registration to be considered valid. Faxed registrations are NOT considered valid without pre-arranged payment. If a course is full, you will be notified immediately. Otherwise, you will receive a confirmation e-mail or phone call no later than 3 days prior to the start of the course. You may also call to confirm enrollment if you wish.

NOTE: Fees are non-refundable after the first meeting of the course.

****Bitches that go into season are not allowed to attend class. We do not offer refunds or transfers should this occur, please plan accordingly.****

- **VACCINATIONS:** All new students or students who have not had vaccination history verified by CSC in the last 6 months, please bring your dog's vaccination history to the first night of class, including proof of rabies (please provide a copy of the rabies certificate), DHPP (lepto optional), and we highly recommend vaccination for canine cough (Bordatella). Passing titers are acceptable for the DHPP requirement. Nosodes are allowed for dogs over 1 year of age when accompanied by a health certificate from a licensed veterinarian dated no longer than 15-days prior course start date.
- For further preparation, dogs will need a non-correcting collar (buckle or quick-snap), Gentle Leader or Easy Walk Harness and a 6-foot leash. We do not allow prong collars or nylon/chain chokes in Agility Courses. Bring plenty of soft, tasty treats in tiny pieces as well as a small toy for rewarding. If you have any other questions please call.

*Course fee subject to change without notice.
