BEGINNER OBEDIENCE 101 REGISTRATION:

Beginner Obedience 101 is open to all dogs 16 weeks or older. This 7-week progressive course is strictly a "positive reinforcement" course, using the lure and reward method (using food with verbal reinforcement to train new behaviors), covering all the basic foundations of obedience: sit, down, stay, loose-lead walking, recall, attention, and good manners. Behavioral issues are covered such as problem-solving, re-training, the different types of collars and their usage, understanding canine behavior, nutrition, and other common issues associated with dog rearing. This course is designed in a two-part series and it is recommended that all students continue on to the Advanced Beginner Obedience 201 Course upon successful completion of the Beginner Obedience 101 Course.

This class is limited to an enrollment of 6-8 students, so it is essential that you **return the form below with your payment** (make checks payable to Canine Sports Center) for \$160 tax included, as soon as possible. Visa, MC & Discover accepted. Payment must accompany registration in order for the registration to be considered valid. Faxed registrations are NOT considered valid without pre-arranged payment. You may also call to confirm enrollment if you wish.
