

PUPPY PRESCHOOL TRAINING COURSE:

Puppy Preschool is open to pups 8-16 weeks old at the start of the course. This is a 7-week progressive course based on "Sirus Puppy Training" by Dr. Ian Dunbar with strictly "Positive Reinforcement" (using food with verbal reinforcement to train new behaviors). The course structure includes off-leash socialization with puppies and people and basic obedience work (sit, down, leave it, loose leash walking and building a foundation recall). Educational information is discussed such as proper puppy rearing, avoiding unwanted behavior, crate training, housebreaking, nutrition, jumping, mouthing, management and many other issues associated with puppy-hood. Upon completion of Puppy Preschool, students can move onto Beginner Obedience 101.

This course has a limited enrollment of 8 students, so it is essential that you **return the form below with your payment** (make checks payable to Canine Sports Center) for \$155 tax included, as soon as possible. Visa, MC, & Discover accepted. Payment must accompany registration in order for the registration to be considered valid. Faxed registrations are NOT considered valid without pre-arranged payment. If a course is full, you will be notified immediately. Otherwise, you will receive a confirmation e-mail or phone call no later than 3 days prior to the start of the course. You may also call to confirm enrollment if you wish.

NOTE: Fees are non-refundable after the first meeting of the course.

****Bitches that go into season are not allowed to attend class. We do not offer refunds or transfers should this occur, please plan accordingly.****

- **VACCINATIONS: Please bring for the first night of class:** Verification for at least the **first round of DHPP** (lepto optional), and Rabies for dogs over 12 weeks of age. Vaccination for canine cough (Bordatella) is strongly recommended. Homeopathic (nosodes) are not accepted for dogs under 1 year of age. For puppies 12 weeks and older, please bring the **Rabies** vaccination certificate. Self-vaccinations are allowed, however the date administered and brand must be provided as well as a health certificate from a licensed veterinarian dated no longer than 15-days prior course start date.
- All participating puppies must be in the possession of the owner for at least 10 days before entering into class (since puppies do not attend the first class, the 10 day period can include the week between weeks 1 and 2).
- **Please do NOT bring your dog to the first night of class as this is your orientation session.**
- For further preparation, puppies are required to have a buckle or snap collar with a 6-foot lead and lots of TINY, soft, chewy treats not normally given at home. Please do not feed your puppy prior to class. If you have any other questions please call.
- Parents, please remember this is a puppy class and the entire family is encouraged to participate. However, puppies can be mouthy and jump on young children. Please take this into consideration when bringing toddlers.

*Course fee subject to change without notice.

Directions:

- **From the North:** Rte. 8 South to Exit 44 in Torrington. Take Rte. 4 West to the Rotary in Goshen. Go left at the rotary, onto Rte. 63 South. Continue 2.0 miles and the Center is on the right - #416.
